Main Podium Program ICOI World Congress 2010

Afternoon Session Thursday, 26 August 2010
Digital Planning for Proper Implant Placement
Session Host: Dr. Scott Ganz
14:00 - 14:45
4-D Implant Planning
Dr. Erika Reches
14:45 - 15:30
Treatment Through Proper—Restoratively Driven Planning
Dr. Scott Ganz
15:30 - 16:00
Comprehensive Concept: Implementation in the Implant Practice
Dr. Ady Palti
16:00 - 16:30
Break with Exhibitors
16:30 - 17:00
Immediate Implant—Planning and Extraction Socket Morphology, Guided Treatment for Implant Esthetics
Dr. Claudia Jost-Stein
17:00 - 17:30
Dr. Mariusz Duda
17:30 - 18:00
Destination...Digital! From Plans, Scans, and now Digital Impressions
Dr. Stephan Beuer
18:00 - 18:30
Novel Implant Designs Can Overcome Problems Related to Bone Height and Angulation
Dr. Hugo De Bruyn
18:30 - 20:00
Welcome Reception/Tabletop clinics

Morning Session Friday, 27 August 2010
Implant Complications and Their Management
Session Host: Dr. Hom-Lay Wang
8:00 - 8:45
Overviews in Maxillary Sinus Augmentation Surgeries
Dr. Pablo Galindo-Moreno
8:45 - 9:15
Peri-implantitis—An Opportunistic Infection
Dr. Mikulas Lang
9:15 - 9:45
Management of Implant—Complications and Peri-implantitis
Dr. Hom-Lay Wang
9:45 - 10:15
Break with Exhibitors
10:15 - 10:45
Implant Biomechanical Complications
Dr. Carl Misch
10:45 - 11:30
Implant Wars: Rules of Engagement in the Esthetic Zone
Dr. Henry and Maurice Salama
11:30 - 12:15
Lunch with Exhibitors

Afternoon Session Friday, August 27, 2010
Tissue Engineering for Predictable Bone Regeneration
Session Host: Dr. Carl Misch
13:30 - 14:15
Bioengineering—Approaches to Promote Bone Repair and Ossintegration
Dr. William Gluckstoff
14:15 - 15:00
Bone Engineering for Predictable Bone Regeneration
Dr. Michael Beauty
15:00 - 15:30
Break with Exhibitors
15:30 - 16:15
Tooth Removal, Tissue Regeneration and Crown Height Space—1,000 Cases
Dr. John Gallin
16:00 - 16:45
Bone Regeneration for Esthetic Restoration: Success, Failures and Ways Out
Dr. Zsero Gressai
16:45 - 17:30
Sinus Augmentation Without Bone Graft; Human and Animal Evidence
Dr. Dag-Grok Skaa
17:30 - 18:15
Augmentation in the Esthetic Zone
Dr. Stephan Buser
18:00 - 18:45
Awards ceremony
18:00 - 19:00
Harbor Party

Morning Session 1 Saturday, 28 August 2010
Young implantology Program
Session Host: Dr. Marius Steigmann
10:00 - 10:45
Bone Augmentation Using Regenerative Materials
Dr. Olaf Dann
10:45 - 11:30
Implantology and Periodontology: Case Report and Treatment Concept
Dr. Tobias Griesbach
11:30 - 12:15
Full-Arch Rehabilitation: Treatment and Treatment Planning for Perfect Aesthetics and Function
Dr. Massimo Lurco
12:30 - 13:15
Lunch with Exhibitors

Afternoon Session Saturday, August 27, 2010
Predictable Implant Esthetics —Concepts for Success
Session Host: Dr. Ady Palti
13:30 - 14:00
Current Trends in Bone Augmentation
Dr. Carl Misch
14:00 - 15:00
Bone Blocks Straight Out of the Pack—Does this Work? 15 Years of Clinical and Histological Experience
Dr. Markus Schulze
15:00 - 15:30
Break with Exhibitors
15:30 - 16:15
Immediate Placement, Immediate Reconstruction and Immediate Therapy: A Preventive Concept for the Esthetic Zone
Dr. Wilfried Wagner
16:15 - 17:00
Clinical Management of Complex Esthetic Cases
Dr. Ricardo Capelli
17:00 - 17:45
Current Esthetic and Functional Considerations, for the Treatment of the Edentulous Arch
Dr. Marco H. Rodrigues
17:45 - 18:30
Implant Wars: Rules of Engagement—As Little As Possible, as Much as Necessary.
Dr. Marco H. Rodrigues
18:30 - 19:15
Current Trends in Bone Augmentation
Dr. Maruf Yilgör
